\_\_\_\_\_B. SESSION SUMMARY: (Below, or see summary and worksheets attached)

- Target personality is a male that is older. Personality looks as though he has darker skin. He was wearing brown pants & a white or blue or green shirt. The man had a white beard & white hair. He was standing outside an isolated area and I could see brown earth. It looked as though he was talking ~~as~~ to people as if he were in some type of advertisement or if he were educating or telling people.
